

Wedding Package

Congratulations on your engagement!

Thank you for considering the Gosford Golf Club for your wedding day. We have had the pleasure of providing the perfect wedding setting for hundreds of brides and grooms. We look forward to the opportunity to make your day memorable. Your journey to creating the ultimate wedding starts here, our professional and experienced team is ready to assist and make your dream come true.

Your day has the option of starting at the Club's award winning wedding garden that has been designed, landscaped, and perfectly hand-crafted with water fountains and boarded by luscious green foliage. A gorgeous gazebo provides a picture perfect frame to exchange your wedding vows, all within an intimate area for all your family, friends and guests to experience. While your family and friends casually stroll up to the club for light refreshments and canapés, you and your husband and your bridal party have been whisked away to capture those magical photos on the numerous locations around the golf course. With the photos done your bridal party relaxes in a private room prior to your reception's grand entrance as MR & MRS. Both the Magnolia Room and the Sunset Room, our two main wedding function rooms, have sweeping views across the picturesque tree lined fairways with uninterrupted views all the way to the mountain escarpment. The view sets the scene for a beautiful backdrop that could easily be mistaken for somewhere mountainous and remote and not 2 minutes from the heart of the Gosford CBD. Both Rooms have private access to the clubs terraced area directly above the 18th green.

We recognise each wedding is different and each bride has individual needs and wants. It is because of this that we like to offer our brides the opportunity to tailor a package to suit their individual taste, style and of course budget.

When you book with Gosford Golf you get a fully experienced wedding coordinator ready to help you through all the stages of the planning process from start to finish, whether it is to do with ordering the perfect cake or advice on your colour scheme, we are only a phone call away and more than happy to help. We would be happy to make an appointment for you to come in and we can show you around our great venue, put together some options for you and discuss your wedding needs and any arising questions.

In the mean time, please see attached our packages for 2016/17. If you haven't already, feel free to jump onto our Facebook site and check out all the photos and testimonials about our venue. We hope to hear from you soon.

Happy planning and kindest regards,

Stuart Davies
