## **GOSFORD GOLF CLUB HAS RECIPROCAL AGREEMENTS WITH THE FOLLOWING CLUBS**

The definition of reciprocal rights (RR's) is an agreement between clubs that allows its respective members to access and utilise each others facilities on a pre-agreed basis. This access has historically been provided at no cost, with "full reciprocity" to all club and course facilities available. Many agreements also allowed for immediate membership transfer between the clubs should the circumstance arise. The basis of the reciprocity agreements has been to provide members with access to like golf facilities that they may wish to utilise when travelling and were therefore far enough way to not enable regular use.
