WELCOME TO

THE OLDEST COURSE ON THE COAST

For nearly 100 years, Gosford Golf Club has been at the heart of Gosford, both figuratively and geographically. Golf on the Central Coast began here in 1931, and we have grown our proud tradition as the home of golf on the Coast ever since. At our club, members can be an active part of golf's great history while also creating their own golfing traditions in a welcoming and supportive environment. Be a part of Gosford Golf Club and join today.
